

## **WED. MAY 15, 2019** **WTA “KICK SOME RUST”** **KICK-OFF NIGHT**

This year, the WTA will host a “Kick Some Rust” season kick-off event. How many times have you heard on league opening nights “This is the first time I’ve touched my racket since August” or “I’m a little rusty”? Well, now we all have a chance to get some practice in with our partners and against our usual opponents before jumping right into league match play.

We will kick-off our 2019 summer season with a cooler, practice matches, giveaways, and a food drive! Come and have a drink and some snacks, socialize with people you haven’t seen since last summer (maybe including your own partner!), get some practice in, donate to a good cause, and win some great prizes!

The event will take place Wednesday, May 15 (one week before matches start counting!) from 6pm-9pm at the BQ tennis courts. Mixed doubles will practice from 6-7:30pm. Men’s and women’s doubles will practice from 7:30pm-9pm (or until lights out!).

There will be door prize drawings! Donating non-perishable food items for the Watertown Food Pantry will earn you additional chances to win!

**PRACTICE  
MATCHES! KICK  
OFF THAT RUST!**
